Date	13 th March
Venue	Wilmslow
Playing	Boardman & Eccles U16's Plate Semi - Final
Report	<p>Semi- Final heartbreak: If we are honest the performance of the team (especially the finishing in front of goal) didn't really deserve anymore than the final outcome. A 0-0 tactical stalemate for the 1st quarter was followed by our poorest quarter where we soon found ourselves 0-2 down only to finish 1-2 at half time via a solo effort from Dan Roberts. At half time we thought we were back in the game but early in the 3rd quarter we found ourselves 1-4 down which soon became 2-4 with a goal from U14 Andrew Birtwistle – we then went onto squander numerous chances because we couldn't hit the back of the net. 4th quarter scores went 2-5, 2-6 then 3-6 with our 3rd goal being scored by the U14's keeper Robbie Lees, which just about summed the game up. Special mention for Alex Pearson our goalkeeper who made some fantastic saves that kept the score to a decent level, also fine debuts for Charlie (our new U16) and the 3 U14's who stepped up to help the depleted U16's numbers.</p>
