

Wilmslow Lacrosse Club Match Report

Date	27 th March
Venue	Wilmslow
Playing	Timperley B
Report	<p>This was just typical of our season!! Why do we wait until the last game of our season to play the best 2 quarters of lacrosse we've played all year? We won the first quarter 2-0 with a goal each from Sam & Dan. The 2nd quarter was probably our best of the season with us extending our lead to 7-0 through Sam (2goals) and Dan (3goals). To be fair to Timperley B, they kept going and without resolute defence and good goal keeping by our stand in keeper, Rob, we could have had a closer game. Not sure what happened at half time? But for some reason we switched off and lost the 3rd quarter 0-1; sadly a bout of testosterone fuelled handbags in this quarter took the edge off a game when we were in total control (the incident was dealt with quickly and efficiently by the Ref & Coaches). Timperley scored a 2nd goal early in the 4th quarter and that seemed to raise us from our slumber and we went onto score an 8th goal with our best move of the game, Freddie finishing off a flowing lacrosse move from the defence through to attack. Nice too see both teams applauded off at the end and even the "handbag" players kissed and made up – teenagers eh!! Well done too all involved this season, especially Jason Perrin who has kept the faith when it seemed we would never win (we have lost 4 games by 1 or 2 goals this season and drawn 3 from winning positions which has been frustrating). At least I can sign off as U16's Manager on a win.</p>
Score	8-2
Goal Scorers	Dan Roberts (4), Sam Burgess (3), Freddie Sheen
Assists	Dan Roberts, Sam Burgess
Man of the Match	Andrew Hilliard – a player who has come on so well considering this is his first season, a solid show in defence.
Report by	Graham Cork
