<b>Date</b>	27/02/2010
<b>Venue</b>	Wilmslow Lacrosse Club
<b>Playing</b>	Mellor
<b>Report</b>	<p>Wilmslow U12s continued their winning streak with an outstanding performance against a very good Mellor side. With their largest squad for a match this season, Wilmslow passed the ball and showed clever movement in many of their goals. Callum Lavelle, 'Mini' Max Southerton and Jack Parry all scored great goals by running past players and unleashing stunning shots. Frazer Hunter capped off a great all-round performance with a well-deserved net-breaking shot from just past the half-way line. Two goals stood out – Jack Parry's audacious over the head lob of the keeper and Dan Woodside's tenacious run from within his own half, through a melee of players, finished off with a rocket shot into the bottom corner of the goal. There were many notable performances: James Ratcliffe, Oliver Appleby and Louis Dupuy-Roudel controlled the defence, Jack Bulmer (during the time not spent in the sin-bin!) showed his usual determination in breaking down Mellor attacks, with Callum Leigh and Jack Lucas making important contributions. Newcomers Jacob, Tom, Ewen, Nat and Max looked nothing like newcomers at all with fantastic performances. Charlie Stocker was man-of-the-match for a superb performance in goal, making a number of stunning saves at important moments, accompanied with perfect distribution of the ball.</p>
