

Wilmslow Lacrosse Club Match Report

Date	20 th February 2010
Venue	Timperley Sports Club
Playing	Timperley B
Report	<p>The team went to timperly looking for a result after coming into form in the last few games. The number 1 goalkeeper was away so Rob Evans went in net who is the under 19 Norbury keeper. Kris Moor was also way so with only one recognized defender Marc cork. The coach Jason was unavailable so wilmslow went into the game without a coach and a keeper. Both teams decided to play 8 a side what helped Wilmslow defence. Andrew Hilliard played alongside Marc Cork in defence. Andrew who has only been playing for a short time with a long pole showed great effort. Both team played poorly and the passing was disappointing from both teams and some of the supporters and players have said it's the worst they have ever played.</p> <p>We need to improve and get it right before our plate game against B and E in a few weeks time.</p>
